## What's happening in our church

**Thank you** On behalf of our church family I want to express our appreciation to all of you who have donated to the Church Roof and Church Beautification fund raiser. As I announced two weeks ago, enough donations have come in that we have reached our goals for both of those projects. I count it as incredible evidence of the work of the Holy Spirit in touching the lives of people in our church community with a spirit of generosity. We can now begin the work of replacing our roof, replacing air conditioning units and renovating our church foyer and sanctuary platform. As God has now provided for all our physical needs, let us renew our commitment to further the mission of this church and touch people's lives with the love of Christ.

**Baby Shower** for Avie Thacker postponed due to health problems with Rodney's father, John Thacker; please keep them in your prayers.

**Pathfinders** The Waynesboro Mountaineer Pathfinder Club is starting up its new year with an added bonus of an International Camporee at Oshkosh, Wisconsin in August of 2019. If Pathfinders are planning on attending the Oshkosh camporee with us, they must join now to be able to go; you cannot join after mid-September and expect to go. An information session for parents will be held on Sunday, August 26, 2018, at 10:00 AM at C. F. Richards School in Staunton, VA. If you have any questions or concerns prior to this meeting, please feel free to call/text to the director, Russell Brown, at (540)414-3433 or email to perubirder@yahoo.com.

**Prayer Request** Dear Church Family, It has been over a year since we had asked for prayer for our grandson, Nathan, who was soon to be born with some special needs. Once again, we are asking for prayer as a big surgery for him is coming up on August 22nd at MCV in Richmond. As most of you know, he has Apert Syndrome which causes premature closing of sutures in the skull as well as conjoined fingers in both hands and toes. This upcoming surgery is one of several that will release his fingers and release his toes. It is a long surgery and tedious, for there are small nerves and blood vessels to deal with as well as many, many tiny stitches to be made and skin grafts to get the fingers covered. He will have both arms and legs in casts for at least 2 weeks. It will be a trying time! Please pray for this precious little guy and his family as they go through this surgery and recovery, and for the Doctors who will be doing the procedure. Thank you so very much! We know our church is a praying one and Our God answers prayer!

---Doug & Beth
