The Appearing The ancients predicted it. Millions of people can’t stop talking about it. And even though global unrest and natural disasters indicate it will happen soon, few agree on exactly how or when it will happen. Is it possible that many people are making a mistake about The Appearing—an event mentioned more than 2,500 times in the Bible? Take the online quiz at www.appearing.org/waynesboro and save October 24-28 on your schedule for this powerful five-part seed-sowing event from The Voice of Prophecy.
