What's happening in our church...

Thank you! On behalf of all of our mission trip participants, we want to express a hardy "Thank You" to our church family for your generosity, which has helped us reach our fundraising goal for participant fees and project expenses. We look forward to sharing this blessing of a wonderful God and our thoughtful church family with God's children in the Amazon. Please keep us in your prayers. Pastor Denny

Apert Owl Ministry Apert Syndrome is a rare disorder that causes deformities primarily in the head, hands and feet. Most of the treatment is done through surgeries. We have an opportunity to help these children as they have to go through so much, to lead a fairly normal life. There is a non profit organization that promotes Apert Awareness and also sends Care Packages to these young ones to give them joy, encouragement and to let them know they are loved. It is called Apert OWL---Standing for Outreach With Love! We will be collecting items for these care packages through March 23rd. There is more info about what to donate and a collection container in the church narthex. Also check out the official website at www.apertowl.org and learn more about these special children and their families!

This is a mission close to our hearts - one of our own church kids has this very syndrome! His name is Nathan! Please keep him in your prayers as he recovers from his recent surgery to separate the rest of his fingers. He will now have 3 weeks of wearing casts on both arms - a testy time for him and his family! Thanks for your prayers! GOD IS GOOD ALL THE TIME!

Thank You
